Letter of Reference

Dr. med. Gilberto Lacchia has been working for GetWellness Ltd from February 1 2001, to December 31, 2001.

Dr. Lacchia worked as translator for the GetWellness specialized health and medical online publications.

The work of Dr. Lacchia met the highest quality standards and was always delivered with high efficiency. The editorial team as well as the medical team enjoyed working with him.

GetWellness will seize operations as an independent company and hence cannot continue the work relationship.

We wish Dr. Lacchia all the best for his future and thank him for the contributions to GetWellness.

Written in Basel, Switzerland, February 1, 2002.
